In view of the amendments to the claims and the remarks put forth below, reconsideration and allowance are respectfully requested. A clean copy of the amended claims appears below with the amended version attached on a document marked "VERSION WITH MARKINGS TO SHOW CHANGES MADE."

**AMENDMENTS****IN THE CLAIMS**

Please replace the pending claims with their correspondingly numbered claims below.

Add new claims 25 and 26.

Cancel claim 1 without prejudice.

25. (Amended) A pharmaceutical composition comprising alloactivated lymphocytes in a compatible pharmaceutical excipient, formulated for administration into a solid tumor or the bed of a solid tumor in a human patient, wherein administration of the composition into a tumor or tumor bed in a patient elicits an immunological response by the patient against the tumor.

we

2. (Amended) The composition of claim 25, comprising lymphocytes from at least two different humans.
